2. **No additional equipment may be used** (i.e. reflectors and tripods).
3. All visitors must comply with our rules and policies at all times. This includes keeping all passageways accessible while refraining from touching any artifact/artwork or climbing any of the structures. Failure to comply will result in being asked to leave the site immediately.

POSED PHOTO/VIDEO SHOOTS AND COMMERCIAL SHOOTS

BEAUVOIR defines Posed Photo/Video Shoots as still or moving images taken of **posed individuals, groups, couples, or families by a photographer (either professional or amateur), ad agency, or other marketing entity.** This includes engagement/ wedding photography as well as graduation/family portraits. People photographing inside the space with photo equipment that affects other visitor's experiences (i.e. tripods or reflectors) may also be considered in this category.

Commercial photography or videography is defined as a **project that is utilizing BEAUVOIR as a visual backdrop to bring awareness to any business, service, campaign or subject matter, whether the resulting photos are for profit or available free of charge.**

1. All posed photo shoots **must be scheduled at least 7 days in advance** and need to take place during BEAUVOIR'S staffed hours. Due to the volume of requests for photography, this policy is strictly enforced. Advanced booking does not grant exclusive use of BEAUVOIR during the time requested.
2. All members of the party and the photographers must abide by our rules and policies.
3. Photo/Video shoot clients may not be on site for more than **2 hours total** unless special written permission is granted.

This policy applies to all amateur photographers, wedding photographers, media/press photographers, professional/commercial photographers, student and non-profit photographers on the property of Beauvoir at any time. Those who do not comply with this policy will be asked to leave the premises immediately.
